

9th Annual SAME Tampa Bay Post

Joint Training and Education Day JTED

February 26, 2025 | Centre Club, 123 S West Shore Blvd, Tampa, FL

The 9th Annual SAME Tampa Bay Post Joint Training and Education Day (JTED) scheduled for 10:00 AM on February 26, 2025 with a Social Event following the meeting, is a combination of Small Business Conference, Industry Day and Education Seminar for the Tampa Post. The education starts with three different Modules (panels) with 2-3 speakers each discussing a specific topic of interest to our members. This year, the modules will be 1) Small Business Opportunities with Federal Agencies (USACE and NAVFAC SE), 2) Veteran and Trades Development For Federal Construction, and 3) Emergency Management with discussion on how to get on bid lists and do emergency work. The JTED also has a Keynote speaker during lunch. This year, Colonel Sebastien Joly, USACE Engineering and Support Center, Huntsville, will be discussing the opportunities at his organization. The day will finish with a Social Event at the Centre Club included with the registration cost.

Sponsorships from industry help to support the Post and our efforts to provide a quality program to our members
